

Key Facts

Scouts earn 50% commission on every card they sell, the most in any council fundraiser. We've made different card versions to include local businesses and remove ones that don't fit all council regions.

Unit leaders can snag a GCC shirt by selling at least 200 cards and increasing their unit sales over the previous year, available for pickup at the Scout Shop or during Adventure Card check-in (when cards are returned). Note, this offer applies to new units who sell 200 or more Adventure Cards.

The Adventure Card Kickoff will take place over a webinar on January 8th so that all units (regardless of geographic location) may participate, ask questions, and rewatch the presentation as needed.
