

Return Policy

If units have cards remaining at the end of the fundraiser, they may return any unsold, undamaged cards at any time throughout the campaign. The cards **MUST** be in new condition (with snap off discount tabs intact). We cannot accept returns of any cards that have been damaged. Be sure Scouts and parents treat each card as if it were a \$10 bill!

All balances and remaining cards are due to Council offices by May 01.

Any cards, including those lost, misplaced, or damaged, that are not returned to council by May 1st will be considered sold and will be charged to the unit account. It is the unit Adventure Card Chair's responsibility to ensure that they return their unit's cards and money by the end of the sales period.
